

Accessible Walk-In Bathtubs

An Accessible Walk-in Bathtub is **secure and more comfortable** to get in and out of than a conventional bathtub. Easy access allows people of all abilities to **enjoy a safe and relaxing bath** without sacrificing style.

Accessible Walk-in Bathtubs dramatically **reduce your risk of falling** and **increase your personal independence**.

Enjoy **soaking safely** in your **Personal Spa**.

Accessibility Professionals has assisted many people and organizations to transform their bathrooms making them easier to use.

Accessible Walk-In Bathtub Features:

- ➔ Built in grab bar for balancing.
- ➔ Non-skid floor for sure footing.
- ➔ Whirlpool options available to create your own personal therapeutic spa.
- ➔ Water Jets offer a deep massaging action to soothe sore muscles and aching joints.
- ➔ Air Jets with warm gentle air bubbles are ideal for tender skin and stimulating blood circulation.
- ➔ Built for durability and ease of installation.
- ➔ Designed to compliment the décor of your bathroom and to fit in the space of your current bathtub.
- ➔ Optional Wall Surround kit and a deck extension for a 60" framing pocket is available for a professional finish.
- ➔ Uni-body construction meets Hospital Grade specifications.
